

WHY OUTDOOR ADVERTISING?

RAM Advertising allows you to place your advertising campaigns where thousands of prospective customers can plainly see them. We are the only provider of both high-quality Static Vinyl & LED Billboard Advertising within the Wells County area.

Our pricing structure is flexible, and our customer service is even better. We are a local company with small-town values, but we still like to think big. ***So THINK BIG today, and make an impression with RAM.***

LED DIGITAL & STATIC VINYL BILLBOARDS

RAM Advertising offers you with an alternative to outdoor advertising that includes our Digital LED billboard. We also have over 12 static billboards available for short or long term rental within the Fort Wayne and Bluffton areas. **CONTACT US TODAY TO RESERVE YOUR ADVERTISING SPACE!**

Billboards are a great way to quickly get noticed with a lasting impression!

Billboard Advertising Advantages

- Huge and eye-catching platform
- Targets a large and diverse market
- Builds company reputation and product image
- Photographic info (strong visual effect)

LED Digital Billboard Advantages

- Bright and almost impossible to ignore
- Ads can be changed quickly and easily
- Immediate campaign start time, no delays
- Cost savings with no damage replacement costs
